

SHRADDHANJALI DIWAS - 2017

Santa Maria observed Shradhdhanjali Diwas on Tuesday 25th July 2017. It was a day for remembering our Founder **Madam Sarah Mathew** who was born in the hills of Konni, Kerala, 78 years ago on the 20th of November 1930.

Beautiful words from songs echoed in the surroundings as our Choir group sang. We all pledged to be the best we can in our lives.

"Give me oil in my lamp; keep it burning burning burning....."

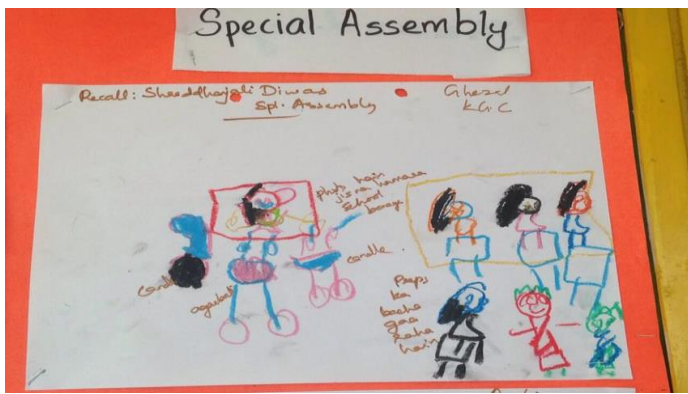

“Aye prabhu hum teredhuwar; khushi se ye gharaursansar.....”

Santa Marians remembered their beloved founder by observing a minute of silence and by thanking her for building a beautiful school.

After special assembly children's went back to their classes and recalled through drawing every moment of the assembly.

While making the drawing teachers asked the students what they are making and to our surprise children's answered that they have made the picture of the person who has built our school and planted tress for us.

Madam Sarah Mathew rested in peace in the year 2003. She continues to be a great inspiration to all the staff and students of our school.
