

A Visit to Vasant Vatika

On 28th December 2017, KG's of Santa Maria visited Vasant Vatika a very fresh, lush green and beautiful garden for walk and play.

Children were very excited about the outing from morning itself.

Yashasvi entered class saying "Ma'am mujhe pata hai na aaj hum picnic jaa rahe hain vasantvatika, aur hum bohot mazaa karenge".

After reaching their children walked in the park in lines and enjoyed the natural beauty of the vatika. Then during recess time they noticed airplanes in the sky and were very excited, as they were able to view it as big as the original one's.

After recess they enjoyed playing in the garden with football, hoopla and some outdoor games like hide and seek, Catch me if you can etc.

Then they did beautiful illustration of their visit.

Soon our visit to Vasant Vatika came to an end as children along with their friends started walking towards their bus. While walking they observed different types of leaves, birds, insects, animals.
